Dear Barry

The Guildford Society response to the Consultation Draft Local Plan

We have carried out substantial analysis and consultation prior to submitting our responses to the Draft Local Plan.

On 15th September we presented our sixth public meeting in our Local Plan series, one of which featured Cllr Juneja explaining the Plan Process, and five which covered variously:

- a) The Issues and Options Consultation
- b) The Guildford Society response to the Issues and Options Consultation
- c) The Draft ShMA
- d) The Draft Local Plan
- e) The Guildford Society Response to the Draft Local Plan

We are very concerned that the Draft Local Plan is not sound, due in no small part to missing documents and a poor Evidence Base.

We would be happy to discuss this response and these attached papers with you, your officers and any Councillors, and we stand ready to work with you to try to present a revised Local Plan.

Yours sincerely
